

Equipment Operators

2 Full-Time, Seasonal Positions

Responsibilities

These are responsible positions under the general direction of the Foreman – Transportation Services, and are accountable for the operation of the Town’s fleet of equipment including, but not limited to: front end loader, backhoe, dump trucks, ice control units, snow clearing equipment, and other motorized equipment and vehicles.

Qualifications

- Successful completion of High School.
- Minimum of three (3) years experience as a heavy equipment operator for the equipment listed above especially in snow clearing operations.
- Successful completion of a recognized post-secondary Heavy Equipment Operator Training Program is considered an asset.
- General knowledge and experience in minor heavy equipment repair and maintenance.
- Class 3 Driver’s License with 08 and 09/09A endorsements (abstract required).
- The successful candidate must be available as required and, upon occasion, this may mean long or unusual hours.
- Ability to communicate effectively at all levels with tact and diplomacy.
- Must be able to perform other related duties as assigned by the immediate supervisor.

This is a unionized position, 40 hours per week. Salary as per collective agreement. This position is open to both male and female applicants.

Deadline and Delivery:

Deadline: 12:00 noon, September 9, 2010.
