Dear Mayor Wiseman:

In response to your correspondence of February 2, 2009, the City of Mount Pearl is pleased to offer its support to your efforts to construct a stadium within your town to meet the needs of your residents.

We have enjoyed having your residents participate in activities in our arenas and other recreational facilities as part of our previous and continuing spirit of regional cooperation and look forward to the continuation of this usage in the future in line with the needs of your town and its residents. We understand the desire of your town and that of other towns to provide facilities to meet the recreational needs of its residents.

We wish you every success in your endeavors.

Yours truly,

RANDY SIMMS
